

CARE OF CREATION

We love this magnificent planet on which God has put us, and we love the human family

Pope Francis

**LOVE IN
ACTION**

In the beginning God created the heavens and the earth...
God saw everything that he had made and indeed it was very good.

Genesis 1

REFLECTION

We are stewards of creation, called to look after the world, including for future generations.

How do our actions harm the beauty of creation? How do these actions affect our sisters and brothers around the world?

ACTION

How do we care more lovingly for creation?

How do we re-connect with nature?

PRAYER

Heavenly Father

Help us to see with your eyes, to judge with the loving heart of your Son, Jesus Christ, and through your Spirit to put love into action.

Amen

Creation is not a property, which we can rule over at will; or the property of only a few: Creation is a gift, it is a wonderful gift that God has given us, so that we care for it and we use it for the benefit of all, always with great respect and gratitude.

Pope Francis
